## Rose the Clown

Rose is the first clown created by France during her stay at the Zinzanni Theatre in Seattle in the year 2000. She had to think hard and fast as she was replacing one of her great friends, Francine Côté (Adrénaline!)

The experience proved to be mind blowing but enlightening. At this point, she decided to take this idea further.

Since Rose the Dishwasher Woman, many other Roses followed, each with their own character...
